

# Sponsorship Opportunities

### Join Us in Salt Lake City

How often have you sat at a table where interaction with attendees is minimal? We do not see you as a booth dweller! Join us, and the relationships you develop will lead you to transformational rather than transactional relationships.

### Sponsor a session or an entire track.

Collect specific leads from the attendance roster of your sponsored sessions. It's a great way to match your solutions to the event's educational content.

## Sponsor an aspect of the Annual Institute—from receptions to giveaway bags and small group gatherings.

Each time an attendee seeks to learn more about this element of the Annual Institute, your organization's logo and link will be front and center.

### Sponsor early and be part of the momentum towards attendance.

The AISAP email campaign to encourage registration will feature your participation in the event with communication reaching nearly 10,000 admission and enrollment professionals. We'll also feature you on social media posts leading up to the event and make your presence known onsite on the mobile event app.

#### Be visible everywhere

Not just a placeholder or sign at a podium, we will prominently display your logo on the mobile event app, website, giveaways, and announcements.

### **Annual Institute Sponsorship Pricing**
